Mr. Ralph Dickson and Sgt. Bert Freeman ushered guests to their seats which were marked with tulle bows. The chancel was decorated with beautiful fern while dainty baskets of carnations enhanced the altar.

The groom was supported by his brother, Harry, of Crossfield.

The bride looked lovely clad in a charming floor length gown of sheer white honeycombed at the neck with silver beads. A long white veil of silk net was caught with a coronet of orange blossoms and she carried a bouquet of sweetheart roses.

She was attended by her sister, Sylvia, who was daintily attired in a long gown of pale blue with yoke of gold trimming. It Needs All

The Crossfield Branch of the Canadian Red Cross Society has completed another year of its successful operation. As the annual reports showed, much fine work was done—all of which is tangibly connected with the winning of the war.

But the Red Cross needs the help of not only the work-conscious workers who form the executive; it needs the help of every persons who is at all able. There are many, many things which can be done in this work, done by hands and minds of persons from six to sixty.

Funds alone are not enough—it is the work which lacks the hands of many who are needed.

Every article made, every dollar raised, every hit of work, in some way helps someone who has been struck by the terror of war. Let us all, every one of us, work for the Red Cross, remembering it always.

**1942 Wheat Board Advance
of \$1.22½ Proposed by
Line Elevators**

Your Local Line Elevators Association has made a submission to Ottawa on behalf of Line Elevator Companies urging that the Government formulate a wheat policy for 1942 providing:

(a) An initial payment for farmers delivering their 1942 wheat crop to the Canadian Wheat Board of \$1.22½ per bushel basis One Northern delivered Fort William or Vancouver.

(b) That the Government accept delivery of 350,000,000 bushels of the 1942 wheat crop on this price basis.

(c) That deliveries and sales of the 1942 wheat crop be segregated from the carry-over of past years and the carry-over be reserved to meet post-war and unforeseen war requirements.

A copy of the Line Elevators' Association submission to Ottawa may be obtained from any Line Elevator Agent or by writing to
